

1) each grain lies true

2) the rest

3) or hole

3) a wall

4) i leave my place to find

4) they've come from

5) the place

5) here

5) to find

6) there

7) a memory

8) there is

1) I drive

3) drive

3) drive

3) kangaroo drive

4) i drive to the walls

4) i drive in a car made of minerals

6) named for Bedlam

6) made for me

1) I drive

2) we drive as one thing

2) we drive

2) we drive

3) drive 3) drive

3) drive

4) and me

6) driven together

8) apartly

3

1) bits

4) door shut and keys to pocket i purse against the west

3) the gravel rises over a mound of earth and shell grit

7) and walk easy

8) into the wind

2) until we turn
4) and a head nods right at where
5) not just ways over broken silence
7) wind at our left
7) the path bears traces

1) seperate
5) gone is their stolen mortar
3) the half bricks break out of tussocks among discarded things, they lie out of form
6) over
8) under

1) gone
5) resourceful
6) by the hearth thieves, with an eye for resources
7) in their needs to house kitchens
7) as gone as the middens burnt for lime

1) one in a cave
3) only one midden survives
4) i walk by them carefully
7) less easy
5) leaving depressions in the ground

2) we walk to where the wall breaks
4) I walk to where the wall breaks
5) a place
6) Shag Bay
7) many places
8) we walk to where the wall breaks
8) Shag Bay
6) named for Bedlam

4) but i walk passed

6) the white gum guards a turn

5) to where the power lines stray through

7) past

3) their determinations and decisions constrain the plants to low heights

4) I have come to a meeting of the ways

5) and they demand a road over the rubble of the factory

3) but now we step down a dry slope to the rock and water where

4) i step too

5) industry

7) built to bridge a river with offerings of fertility

1) ox bones and sheep bones litter the shore and under the rusting boiler

2) chicken bones and ox bones litter the shore and under a rusty boiler as it sips the incoming tide

8) and sucks out

3) next to the unburdened piers

4) now nettles grow in the rich sour soil

7) but the business went broke here

8) opposite the new quarry

3) the afternoon light breaks the shutter on the box

4) in my hand

6) now but plinths to industry airs

5) concrete

7) task

8) equal to the eye

4) i'm there

5) chalcedony tools

5) to our quarry

6) there are none to greet me

6) the path continues

7) to our quarry

8) but there here is ofmeika@loofs-samorzewski.com

2) the rock looks like rock

1) but they are

3) the rocks and crockery

6) but the broken crockery does not

7) place yesterday today

8) together these things

4) and so there is now a day for all this

5) movement on the water

6) mountain river sea

7) so there is now a day for all this

8) a here among us

1) a word

3) tomorrow

4) a view of all this

5) waters by the town

5) kitchens look over water

6) things and meetings held

6) mussel midden wall

2) we hold you

3) they meet on good grounds

6) as you sit among the sagg fibrous in the breeze

1) i hold you

5) as I grind these things into meal

5) plastic on rock

7) ...meeting to take the waters' tidings

6) as we stand in the bay wet in the wind

2) we feed you

3) meet to eat

4) there is now a day for all this

5) things we've made

7) these things that become us

8) made to work

3) and made from things 3) of like minds
4) meetings of things and makings

6) meetings of agreement and command 6) the very thing
8) we learned the words we make everything
7) we mouth

4) while across the water works in their refineries pollute in producing purity 1) the thing
5) or things made to meet by hand and eye 5) and the things we eat
6) water river port

4) there is now a day for all this

4) the baked clays slip between steps into the track's gravel and fill

6

5) the track works a way over the stone and baked clay fragments

7) broken works between

3) over lives processing in succession to demand and desire

4) the history around me saddens like iron

5) breaking work

8) elsewhere

7) this is history

2) not here

1) carried here in our metal

6) the history around me ignores me for us

4) to save me the pain it seems

2) getting there

8) for later

2) broken to me

4) however i call

5) state my presence between moments hearing now

6) no redemption however

7) I call in the Bedlam

meika@loofs-samorzewski.com

4) i call my place in the morning calls, another call,

1) another claim

3) walls

5) brokered under

4) the thing is a name

7) between futures broken on a wall made history

8) before

1) however I call

2) into the state I am in

4) i am in the morning calling

6) however I call

7) however around me history ignores me

5) there was no place, no place at all

7

1) each

4) i had left my place to find

3)the rocks and crockery

5) the track works a way over the stone and baked clays

7) and walk easy

2) the rock looks like rock

3)the rocks and crockery

6) the path continues

3) the gravel rises over a mound of earth and shell grit

4) but

1) the half bricks break out of tussocks among discarded things

5) brokered under

6) but the broken crockery does not

7) but the business went broke here

1) broken me

3) broken me out

4) broken to me

6) the very thing

7) these things that become us

8) but

4) green casuarina cones taste fresh and bright

5) evening light
6) the sun's words smell like a lullaby

8) morning light

1) each

2) everyone lives

3) until

5) through the westard view mosaicked by smoke

2) our faces meet to cry

4) the wallaby meat roasting

6) the sun and I

7) the day that day some day

8) everyone lived
